

Friday, September 25, 2015
12:00pm – 1:00pm
Marieb Hall Room 100

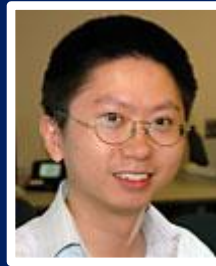

Mathematics Seminar

FACULTY RESEARCH “MEET AND GREET”

Hierarchies of Integrable Systems

Mathew Baxter, Ph.D.
Visiting Assistant Professor of Mathematics

Patchy Invasion in Some Predator-Prey Model

Peng Feng, Ph.D.
Associate Professor of Mathematics

Differential Equations and Biomathematics

Dan Kern, Ph.D.
Assistant Professor of Mathematics

A Smorgasbord of Density Estimation Investigations

Galen Papkov, Ph.D.
Associate Professor of Mathematics

Sponsored by the Department of Mathematics
Light Refreshments will be provided
