RE: Case No. 2005-056737

Dear Dr. Bacchus:

The purpose of this letter is to inform you that the Department is no longer of the opinion that probable cause exists in the above-referenced matter. Consequently, the Notice to Cease and Desist issued on February 15, 2006, is hereby rescinded. You may give presentations of the type at issue in this case, and the Department will not prosecute charges against you. Any future prosecution for the unlicensed practice of Professional Geology would arise if you represent yourself as a Professional Geologist.

Sincerely,

<sup>w</sup> Charles F. Tunncliff  
Chief Attorney, Professions
